

# INVASION BIOLOGY OR INTEGRATION BIOLOGY?

**Who is behind the deforestation and pesticing  
of the East Bay Hills, from Richmond to Hayward?**

**\*\*Slideshow with narration, followed by discussion\*\***

**DAVID THEODOROPOULOS**

Conservation Biologist and Author:  
Invasion Biology: Critique of a Pseudoscience  
**+ Update from Save Mt. Sutro Forest**

**SUNDAY, JULY 14, 2013, 6:30PM** (doors open 6PM)  
Historic Hall, Berkeley Fellowship of Unitarian Universalists  
1924 Cedar (one block east of MLK, Jr. Way)

Hear about Invasion Biology from a different perspective of  
non-native species, based on Evolutionary Biology, and find  
out about the native plant restoration movement's  
connection to the pesticide industry.

**\*\*Please refrain from using scented products prior to attending**

**\*\*Wheelchair accessible**

Co-sponsored by East Bay Pesticide Alert ([dontspraycalifornia.org](http://dontspraycalifornia.org))  
(see wildfire pages) & Social Justice Committee BFUU ([bfuu.org](http://bfuu.org))
